### There's nothing like the CompX eLock.

Electronic access control  
for cabinetry, which means  
it can be used almost anywhere.  
In healthcare, academics, government,  
manufacturing — *anywhere  
access control is required.*

### eLock Applications:

- patient records
- drug / supply cabinets
- coolers / refrigerators
- bio-hazard disposal
- lockers
- dorm room lock box
- research lab
- student records
- key control boxes
- tool cribs / carts
- evidence rooms
- equipment storage
- cafeteria / food storage
- many more!
